CURRENT EXHIBITIONS

FIRST KILOMETRES IN THE FIRST REPUBLIC

100 years since the founding of the Czech Republic

We would like to invite you for a ride across the first republic! At the time the Mladá Boleslav car maker L&K / ŠKODA was among the pillars of the motorsport boom in Masaryk's Czechoslovakia. What did our forefathers learn in driving lessons? How did they manage without navigation? What were the speed limits at the time? Where did you refuel, park or go to a service garage? Come to discover the exciting world of motorsport, exotic long-distance rides or VIP ŠKODA owners and much more at a new exhibition, which will be open for public from 23 October 2018 to April 2019.

VICTORIES FULL OF DUST: 1908

World speed records, dozens of golden wreaths from racing circuits and rides of reliability and brand reputation growing at an incredible pace. In 1908, the car manufacturer, Laurin & Klement, won literally in every race starting with one of their racing specials. What were these machines? Who was winning with them? And how were the successes on the racing tracks reflected in the economy of the Mladá Boleslav company? These questions are answered by the exhibition called Victories Full of Dust reminding of the year 1908. The year when the Laurin & Klement company confirmed its place on the automotive Olympus. The exhibition is open until 12 October, 2018.

DAVID ČERNÝ: CZECH BETHLEHEM

The unique exhibition of bronze sculptures by the artist David Černý presents scenes of Czech history and culture. The detailed elaboration of individual figurines resembles the traditional nativity scene. The set of sculptures was created for the Autostadt (Wolfsburg, Germany) on the occasion of EXPO 2000. The Czech artist David Černý is famous for creating figurative sculptures for public spaces. His work includes the Pink Tank, the Babies on the Žižkov TV Tower and the Entropa. Upon prior appointment on tel. +420 326 831 134, guided tours for elementary and secondary schools are possible as part of the history lessons.

All current exhibitions are covered within the regular museum entrance fee. Take the opportunity to buy the year-round tickets for the ŠKODA Museum exhibitions for a reduced price of CZK 280.

STANDING EXHIBITIONS

The exhibition is divided into three thematic sections – Tradition, Evolution and Precision. The section "Tradition" reflects ŠKODA's brand values – Pride, Everyday usability and Challenges – represented by three pairs of vehicles. The section "Evolution" begins with the busts of the two founders. It is characterized by a timeline of milestones in

automotive development. The section "Precision" illustrates cars in different stages of renovation – from the stage of finding the vehicle to producing a "jewel". The process of contemporary car production can be seen in our panoramic cinema.

EXHIBITION AND SHOP FLOOR TOURS

We offer guided tours of the ŠKODA Museum and the ŠKODA AUTO shop floors. We also provide tours of the Lean Centre, ŠKODA Parts Centre, Educational Centre Na Karmeli and the production plant in Vrchlabí and Kvasiny.
